

Reformation History The Reformation Bible

Interpreting the Text:

1. Why has the King James version retained such a high status down to the present?
2. How important is official sanction in the creation and dissemination of a Bible translation?
3. Why was it so important that the King James version not include any doctrinal commentary?

Applying the Text:

1. What do you think about sola scriptura? Is this a concept that has come up in your faith community before?
2. Have you ever thought about the fingerprints of translators like Tyndall when you read your Bibles? How does it change your reading experience when you consider that there are skilled individuals crafting the phrasing that may become a cherished prayer or refrain?
3. How does the King James version of the Bible feature in your life? Is it your go-to translation, or the preferred version in your church? Do you find it challenging to read due to the older language?
