

Leviticus, Numbers, and Deuteronomy Introducing Biblical Law

Interpreting the Text:

1. Did this video discussion help clarify or change your perception of “the law” in any way? What did you learn?
2. Do you think it is possible to reconcile contradictions found in the many laws of the Hebrew Bible? Should attempts be made to reconcile them at all?
3. Does knowing that biblical laws evolved and were reinterpreted over time change your perception of “the law?” If so, in what ways?

Applying the Text:

1. Do you think “the law” has value for modern readers given the unique ancient contexts in which they were developed? Why or why not?
2. What additional questions do you still have about “the law” that you hope to explore in this series?
